Agreement & Signatures

All ten monthly payments are due on the first of each month, and are overdue on the 15th. A late fee of \$25 will be added if not paid by the 15th. The school reserves the right to require that a student be withdrawn from the school when the account becomes 30 days past due. If a student needs to be withdrawn for family reasons, then the following refund policy will be in effect. If the student withdraws prior to the 15th, half of the month's tuition will be refunded. If after the 15th, there will be no refund. Tuition rates are good for the stated year and may be changed for the following year. At least 30-day notification will be given prior to next year's enrollment. By agreeing to this admissions agreement, we accept our financial responsibility and pledge to pay all fees and tuition.
